

November 06, 2023

Attention: Todd Paul
BADGER METER INC
8635 WASHINGTON AVENUE
RACINE, WI 53406

The design submission, Tracking Number 2023-06283, originally received on October 13, 2023 was surveyed and accepted for registration as follows:

CRN : 0F05539.2

Accepted on: November 06, 2023

Reg Type: RENEWAL

Expiry Date: November 06, 2033

Drawing No. : Blancett 1100 & Quiksert CRN Renewal As Noted

Fitting type: Meter

The registration is conditional on your compliance with the following notes:

The scope of the registration is to renew the existing fittings. It is understood that there is no change in design.

As indicated on AB-41 Statutory Declaration or AB-351 Declaration of Conformity form and submitted documentation, the code of construction is ASME B31.3.

- It is our understanding that the fitting(s), included as the scope of this submission, that is(are) subject to the Safety Codes Act shall comply with the requirements of the indicated Standard or Code of Construction on the AB-41 Statutory Declaration or AB-351 Declaration of Conformity as supported by the attached data which identifies the dimensions, materials of construction, press./temp. ratings and the basis for such ratings, and the identification marking of the fittings.*
- This registration is valid only for fittings fabricated at the location(s) covered by the QC certificate attached to the accepted AB-41 Statutory Declaration or AB-351 Declaration of Conformity form.*
- This registration is valid only until the indicated expiry date and only if the Manufacturer maintains a valid quality management system approved by an acceptable third-party agency, and maintains a valid Certification of Authorization Permit if required by the jurisdiction where manufacturing takes place, until that date.*
- Should the approval of the quality management system lapse before the expiry date indicated above, this registration shall become void.*

An invoice covering survey and registration fees will be forwarded from our Revenue Accounts.

If you have any question don't hesitate to contact me by phone at (780) 433-0281 ext 3388 or fax (780) 437-7787 or e-mail Liu@absa.ca.

Sincerely,

LIU, XING, P. Eng.
DOP Cert. No. D00008861

**STATUTORY DECLARATION
Registration of Fittings**
Single or Multiple Fitting Designs within one Fitting Category

I, Jeff Schreiner, Director - Engineering Flow Instrumentation
(name of applicant) (position title) (must be in a position of authority)
of Badger Meter, Inc.
(name of manufacturer)
located at 8635 Washington Avenue, Racine, WI 53406 USA
(plant address)

In this space, show facsimile of manufacturer's logo or trademark as it will appear on the fitting.

do solemnly declare that the fittings listed hereunder, which are subject to the Safety Codes Act
(select only one)

- ☒ comply with the requirements of ASME B31.3 which specifies the dimensions,
(title of recognized North American Standard)
materials of construction, pressure/temperature ratings and identification marking of the fittings, or
- ☐ are not covered by the provisions of a recognized North American standard and are therefore
manufactured to comply with _____ as supported by the
(title of code of construction or other applicable document)
attached data which identifies the dimensions, materials of construction, pressure/temperature ratings
and the basis for such ratings, and the identification marking of the fittings.

I further declare that the manufacture of these fittings is controlled by a quality control program which has been verified as described in the below Table as being suitable for the manufacturing of these fittings to the stated standard, regulation, code, guideline or other applicable document. The fittings covered by the declaration for which I seek registration are as provided in the Supplementary Sheet(s) attached.

Quality Program Verification and Manufacturing Sites

A copy of the Quality Certificate from each manufacturing site must be included

Item #	Product Description, Model or Series	Quality Program	Scope of Certification	Expiry Date	Verifying Organization	Location(s) Plant Name and address
1.	Blancett 1100 and Quiksert Series	ISO9001: 2015	Design and Manufacture of Turbine flowmeters	2025-10-16	BSI Assurance	Badger Meter, Inc. Racine Plant 8635 Washington Ave. Racine, WI 53406
2.						

In support of this application, the following information, calculations and/or test data are attached:
