

Electric Square Head Concrete Vibrators

Leading the industry for over fifty years, Wyco Tool's Electric Square Head Vibrator is the industry standard for quality concrete consolidation.

Wyco's exclusive SQUARE HEAD design provides these benefits:

- Scientifically proven to consolidate concrete 20-50% faster in the first 15 seconds*
- 22% more surface area compared to a round head
- Constantly changing vibration pattern, which reduces post holing
- One piece head housing is milled from solid square stock and has no threaded tip joints to wear out
- Wyco's Square Head provides higher force levels, greater amplitude, longer wear, and unmatched reliability

* Name and report upon request

Consolidated 26 seconds with
ROUND head

Consolidated 15 seconds with
SQUARE head
