Item 8.01 – Other Events.

February 11, 2016

Cengage Learning Announces its Seventh Share Repurchase Program

The Board of Directors of Cengage Learning Holdings II, Inc. (“Cengage Learning” or the “Company”) has authorized the Company’s management to repurchase opportunistically up to $25 million of the Company’s outstanding common stock, par value $0.01 per share. This new share repurchase program was initially announced on February 10, 2016. Completion of the previous share repurchase program was announced on January 4, 2016.

Under this new and current repurchase program, the shares may be repurchased from time to time over the next twelve months in privately negotiated transactions, under Rule 10b5-1 or by other means in accordance with federal securities laws. The actual timing, number and value of shares repurchased will be determined by management and will depend on a number of factors, including the price at which Cengage Learning shares are available, assessment of alternative uses of cash, general market and economic conditions and compliance with applicable legal requirements as well as the terms of the Company’s credit facilities.

As of February 11, 2016, Cengage Learning has approximately 72 million shares of common stock outstanding. Repurchased shares will be returned to the status of unissued authorized shares. There is no guarantee as to the number of shares that will be repurchased and the Company may extend, suspend or discontinue purchasing its shares at any time without notice.

Forward-Looking Statements
This report contains both historical and forward-looking statements. All statements other than statements of historical fact are, or may be deemed to be, forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. A number of factors could cause actual results, performance or achievements to differ materially from the results expressed or implied in the forward-looking statements, including the factors described in this current report and those listed in the “Risk Factors” section and the “Special Note Regarding Forward-Looking Statements” section of the Company’s Annual Report for the fiscal year ended March 31, 2015. These factors should be considered carefully and readers should not place undue reliance on the forward-looking statements.
