Cengage Learning, Inc. Announces Pricing of Notes Offering

Boston, MA, May 26, 2016 – Cengage Learning, Inc. (“Cengage”) announced today the pricing of its $620 million aggregate principal amount of Senior Notes due 2024 (the “Notes”) (which represents a $120,000,000 decrease from the previously announced offering) in a private offering. The Senior Notes priced today with a coupon of 9.500%. The closing of the offering is expected to occur on June 7, 2016, subject to the satisfaction of customary closing conditions.

Cengage expects to use the net proceeds from the offering, together with proceeds from its previously announced proposed $1,710.0 million term loan facility, to (i) refinance its existing senior secured term loan credit facility, comprised of a $2,010.0 million senior secured term loan, (ii) fund a distribution to Cengage Learning Holdings II, Inc. (“Holdings”), its indirect parent, which will be used to repurchase shares of common stock of Holdings and/or fund a dividend to the stockholders of Holdings, and (iii) for general corporate purposes, including the payment of financing costs and other expenses in connection with the proposed transactions. Simultaneously with the consummation of the proposed transactions, the Company expects to enter into an amended and restated $250 million asset-based revolving credit facility (the “ABL Facility”). It is expected that the ABL Facility will be undrawn as of the closing date of the offering of the Notes. The Notes will not be registered under the Securities Act of 1933, as amended (the “Securities Act”) or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent an effective registration statement or an applicable exemption from registration requirements or a transaction not subject to the registration requirements of the Securities Act or any state securities laws.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offering, solicitation or sale would be unlawful.
