

See and hear what's happening at home.

Always know what's happening at home, even when you're away. LiftMaster's new myQ®-connected cameras allow you to see and hear what's happening in your garage — anytime, from anywhere. The LiftMaster Smart Garage Door Opener with camera is the first-ever opener with a built-in wide-angle 1080p camera and 2-way audio communication. Our LiftMaster Smart Garage Camera allows you to easily upgrade your current opener with audio and video. Integrated myQ technology lets you monitor your garage through a live feed or recorded event through the myQ App to ensure family, prized possessions and Amazon Prime Packages are safe and secure.*

Download the FREE myQ App

Two ways to upgrade

Smart Garage Door Opener with Camera Smart Garage Camera

Know.

What's happening.

Never wonder if the garage door was left open. Check the status of your garage door, plus open and close the garage door from your phone — no matter where you are.

See.

In beautiful 1080p.

Stop imagining and see what's going on in your garage. Real-time video monitoring lets you see what's happening whether you're at the office or on vacation halfway across the world.

Hear.

With real-time 2-way communication.

Tell your neighbor where to find the ladder or help your daughter find her bike helmet with 2-way communication.

Secure.

From anywhere.

Ensure family and prized possessions are safe and secure with integrated myQ technology that lets you monitor the garage through a live video feed or recorded event through the myQ App.
