Be a crown & bridge machine.
Post & Core System

Introducing an integrated system for post & core-dependent crown and bridge procedures.

The end result of every post & core procedure will be a crown or bridge. That’s why there’s Pentron’s Post & Core System. With everything you need in one easy-to-access box, this value-bundled system of proven products will help you save time, enhance efficiency and build a structurally sound and healthy foundation—empowering you to deliver consistent restorations.

One kit for all your needs.

Pentron’s Post & Core System brings together everything you need to help you complete a post & core procedure faster and easier.

- FibreKleer™ 4x Fiber Posts
- Build-It™ FR Fiber Reinforced Core Material
- Breeze™ Self-Adhesive Resin Cement

Clinical Case

Post & core restoration using Pentron’s Post & Core System. Clinical images courtesy of MDDr. Martin Koštál, Czech Republic.
Superior posts, great variety.
FibreKleer 4x Fiber Posts provide the ultimate in flexural strength, radiopacity, core retention, tooth preservation, esthetics, and size and shape options. Our Tapered Posts are featured in the Post & Core System (we wanted you to have our best seller).

The next best thing to dentin.
Build-it FR Fiber Reinforced Core Material is the perfect material to use with FibreKleer 4x posts. It self-cures in minutes or light-cures in seconds to a hard consistency that cuts like dentin without ditching.

Freeing up chair time is a breeze.
Breeze Self-Adhesive Resin Cement is specifically designed to make the cementation of crowns, bridges, inlays, onlays, and posts faster & easier by eliminating the individual etching, priming, bonding, and mixing steps.

**FEATURES & BENEFITS**

**CONVENIENT**
Everything you need for a post & core procedure in one easy-to-access kit.

**VERSATILE**
Contents of the kit can be used for two different procedure types post+core+ cement OR post+core.

**SAVES TIME**
Products are all neatly packaged in a value-bundled system.

**QUALITY**
System includes award-winning post & core products you can trust.

**EFFICIENT**
Post & Core System is designed to help you build a structurally sound and healthy foundation.

**VALUE**
All the products necessary for a post & core-dependent crown & bridge procedure for less than $150!
