Disclaimer: Numbers may vary based on model and options selected. Calculations of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. KI makes conservative assumptions when compiling information to provide the most accurate recycled content calculations possible. This document will be reviewed and updated periodically and is subject to change without notice.

**Regional Materials** – Manufactured within 500 miles of the project location.
- **Manufactured:** Green Bay, WI 54302
- **Raw materials:** As a just in time manufacturer, material selection, and project locations will vary. Please contact KI for specifics on this credit.

**Other Environmental Attributes:**
Summary outline and explanation of additional certifications.

**WELL Building Standard**
The WELL Building Standard is the first standard to integrate human health and wellness into the design, construction, maintenance and operations of buildings.

**SmartWay Certified**
KI has a fleet of SmartWay Certified trucks, resulting in less fuel usage, decreased exhaust output, and economic savings. In addition, we utilize other SmartWay certified trucking companies when needed.

**CARB Phase 2 Compliant**
The California Air Resources Board, is part of California Environmental Protection Agency (CalEPA). CARB Phase 2 Compliant indicates the product formaldehyde emission limits of .05 ppm or less.

**TB 133 Option Available**
For seating products to meet the requirements of California Technical Bulletin 133 (TB 133), changes in materials may be made and restrictions placed on fabric selections and product options. Products ordered with this option are labeled accordingly.

**Other Attributes**
- **End-of-Life Recycling & Reuse:** KI selects materials that can be recycled at the end of a product’s use and designs its products so that it can be easily disassembled and separated for local recycling facilities. *Disassembly Instructions* can be found online or by request.
