Strive’s simple flex-back design encourages movement, relaxation, and enhanced circulation.

**Intrinsic elements of Strive comfort:**
- Slats in the poly back permit flexing
- Hidden steel rods provide durable support
- Radiused back conforms to your back for exceptional support
- Contoured seat dissipates pressure points
Strive redefines value by combining readily available, recyclable materials and a small number of components into a versatile, ingenious design. It offers good looks, comfort, affordability, and durability.
