David Nelson is a Senior Master Trainer on the VitalSmarts faculty and the co-founder of Goal, an employee experience consultancy.

Over the past 8 years, David has been a consultant, speaker, and trainer; specializing in leadership development, learning design, and organizational behavior. His expertise comes from years of creating, delivering, measuring, and assisting in the implementation of training for many of the Fortune 500. On average, he speaks and/or delivers training to over 4,500 people each year. His client events have spanned the US and Canada.

David strongly believes people deserve to feel that the presenter genuinely cares about their well-being and improvement. Thus, his sessions are light-hearted, fast-paced, and applicable to daily life.

To see David in action, here is a recent speech about developing healthy emotions:
