

APPENDIX A: NORTHEAST SANDS PROPERTY DESIGNATIONS AND MAP LINKS

The properties included in the Northeast Sands EL have a variety of property designations. Some properties also have existing NR 44-compliant master plans. Table A1 lists the name or proposed name of each property included in the NES plan along with its designation, and indicates the NR 44-compliant plan where management of the property is described. The table also includes links to the various map themes in the Property Planning Viewer for each property. All properties listed in Table A1 will have NR 44-compliant plans and be included in subsequent updates of the Northeast Sands Regional Master Plan upon approval of this plan. Properties are listed in alphabetical order by name or proposed name.
